

CDW AMPLIFIED SERVICES OFFER.

No-Cost Services to Support Your Google Workspace for Education Environment*

Let CDW Education help you leverage the power of Google Workspace and Chromebooks.

As a U.S. or Canada-based K-12 district or higher education organization interested in purchasing Google Workspace for Education Plus licenses or Educator Chromebooks, you may be eligible for no-cost services that support your digital infrastructure.

The CDW Amplified Services Offer is a limited-time program that provides support services to qualifying institutions to drive a more sustainable adoption of Google Workspace for Education and meet the unique needs of your technical staff.

A Few Steps to Get Started:

1. Complete your Chromebook or Google Workspace for Education Plus Upgrade purchases through CDW.
2. Review the program qualifications and offerings below.
3. Connect with your [Google Customer Success Specialist](#) or [CDW Account Rep](#) to initiate your rewards.
