

CDW Amplified Services Offer & Chromebooks for Educators

Receive no-cost technical support when purchasing Chromebooks that elevate teaching

Discover your new teaching tool with Chromebooks, devices that are sleek, productive, powerful, and ready for anything in the classroom, at home, anywhere.

Chromebooks offer a new way to manage classrooms and instruction. Choose from a full range of models, power levels, and capabilities to find the right teaching tool that's made for professionals, but still uses the same interface as your students to make collaboration and problem solving easy. Manage classes, create assignments, edit photos or videos, grade, collaborate or even manage personal tasks all on one, easy-to-use machine. Sleek, powerful, and ready for anything, Chromebooks are built for simplicity without sacrificing performance or sophistication.

Why Choose Chromebooks for your educators?

- Exceptional storage capacity
- Reliable, built-in security
- One software and hardware solution within your Google ecosystem
- Casting enabled
- Virtual desktops
- Content creation (like Adobe Creative Cloud)
- App streaming
- Compatibility with Microsoft 365

Why Choose Chromebooks for Educators today?

As a US or Canada-based K12 district or Higher Education organization interested in purchasing Chromebooks for "[Advanced Use](#)" with Chrome Education Upgrade in 2022, you may be eligible for complimentary services that support your education technology.

The CDW Amplified Services Offer is a limited-time program that provides support services to qualifying institutions to drive a more sustainable adoption of Google for Education and meet the unique technical needs of your IT team members.

Purchase* Qualifications for Advanced Use Chromebooks	Purchase Offerings
<p>Any purchase of 30 or more Advanced Use/LTE enabled Chromebooks as listed in this guide with Chrome Education Upgrades</p> <p>Any purchase of 200 or more Advanced Use/LTE enabled Chromebooks as listed in this guide with Chrome Education Upgrades</p> <p><small>*The sum of invoices incurred within a 2 month period during the offer period of January 1, 2022 to September 30, 2022.</small></p>	<p>Support Stack For isolated challenges within your Google Admin console, you will select a Support Stack, which is a brief engagement with a team of Google IT specialists, to receive the solution necessary for your Google Workspace for Education to operate at its most effective level.</p> <p>Amplified Support for Google for Education The Amplified Support for Google for Education offers your institution support from a team of Google IT specialists that will help your technical staff keep up with Google's ever-evolving environment. You will receive:</p> <ul style="list-style-type: none"> • 1:1 outcome-based sessions with Google for Education IT Specialists • On-demand support available to all technical staff • Priority escalations of support tickets to Google • A roadmap of recommendations for support stacks, training, and tools that are unique to an institution's needs, challenges, and priorities • Chrome device performance strategies that ease Chromebook management • Annual domain analysis against EDU best practices and focused on strategic goals and priorities • Highly responsive four-business-hour SLA • Full staff enrollment in to the CDW Amplified Google Technical Collaborative

If your institution is purchasing non-Advanced Use/LTE enabled Chromebooks or Google Workspace for Education Plus licenses, you may still be eligible for the promotion. See [full promotional details](#) for eligibility requirements.
